Help Celebrate the 150th Anniversary of the Transcontinental Railroad!

The 150th Anniversary of the Transcontinental Railroad Golden Spike Celebration occurs next year (May 10, 2019).

We are going to celebrate the event and recall how it all* got started with the Transcontinental Railroad. We have some thoughts on the event(s), but more good ideas and volunteers are needed.

You are invited to discuss how best to celebrate the 150th Anniversary of the Golden Spike, on **October 10 at 6 PM at the Truckee Airport, Community Room**. Helping the economy is one reason to have this event, but more importantly we want to tell the stories so that history comes alive for today's and tomorrow's generation.

We hope you can join us for this introductory planning meeting. If you have questions in the meantime, you may reach us at the following email address: cmortier@truckeehistory.org A more general email distribution list will be setup shortly.

Help us put Truckee on the map for 2019! Come join us October 10.
